

Covid-19 test center at Vienna Airport

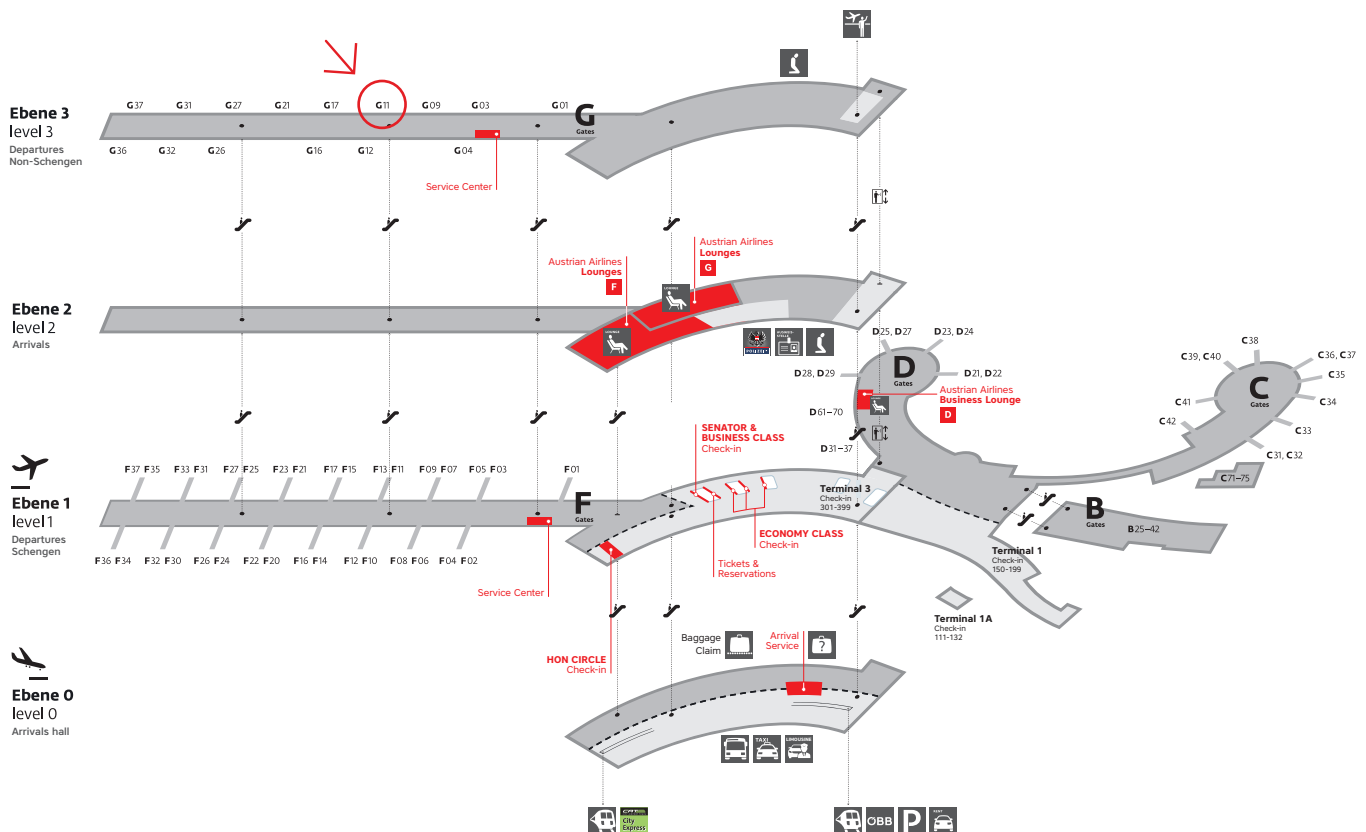

FOR FLIGHTS BOUND FOR CHINA MAINLAND

As of 18th December 2020, Austrian Airlines in cooperation with Flughafen Wien AG and Labor Dr. Mustafa offers a test center at Vienna Airport:

- the test center offers a PCR test and an IgM antibody test which are mandatory for flights bound for China Mainland
- the test center is located in the international transit area (Level 3 – G Gates | Service Center at Gate G11) to guarantee smooth travel – no Schengen visa needed
- the test center is available for transit passengers from 11:00 – 13:30.

TEST FACILITIES AT VIENNA AIRPORT

Test Center	Hours	Offered Covid-19 Tests	Transit Type
Transit Test Center Level 3 – G Gates Service Center at Gate G11	11:00 – 13:30 Friday	PCR and IgM antibody	Schengen Passenger Non-Schengen Passenger

Plan your Transfer

- Plan a layover of at least 8 hours at Vienna Airport to allow sufficient time to obtain the required Covid-19 test certificates and health codes from the Chinese Embassy in Austria.
- Test facilities are currently only available for Austrian passengers who hold 1 ticket for the whole journey bound for China Mainland on Austrian Airlines (OS075).
- As regulations are changing rapidly, please check with the Chinese authorities for the latest requirements and visit Austrian Travel Regulations for updates.
- Check Covid-19 Test Requirements for the exact procedure to obtain a Green HS Code (Chinese Citizens) or Green HDC Code (Non-Chinese Citizens) and a Red Customs Entry/Exit Health Code.
- Passengers transferring from a domestic flight in Austria are asked to take the tests in their origin city within 48 hours before boarding their long-haul flight bound for China Mainland. If done so, passengers from a domestic flight in Austria transferring to China Mainland are not required to be tested again in Vienna.

At Vienna Airport

- Immediately upon arrival, go directly to the Covid-19 transit test center to take the tests: Transit Test Center (Level 3 – G Gates | Service Center at Gate G11)
- The test center will conduct the PCR test and IgM antibody test in the same session.
- No registration necessary, just walk-in. The test center accepts credit card payment (Mastercard, Visa, Diners Club) only.
- Test certificates are normally available within 6 hours after sampling.
- While waiting for the Covid-19 test certificates, scan the QR codes and begin registration for the Green HS Code (Chinese Citizens) or Green HDC Code (Non-Chinese Citizens).
- Upload the Covid-19 test certificates immediately upon receipt for verification by the Chinese Embassy in Austria. Once the Chinese Embassy has approved the application, your HS Code (Chinese Citizens) or HDC Code (Non-Chinese Citizens) will turn green.
