Dallmayr

Passion for quality since 1700

Dallmayr in Munich is a meeting place for gourmets and foodies from all over the world. Quality has a long tradition here. Whether it's delicacies, coffee or tea - the name stands for perfect enjoyment. We source most of our coffee from Ethiopia, the original home of the bean. The coffee you enjoy here on board also comes from this origin: Our Dano project coffee. With millions of planted tree seedlings, the construction of a new school, which opened in 2020, and the development of a coffee cooperative, we are creating long-term prospects for the local people. **Dallmayr wishes you much enjoyment and a pleasant flight!**
