# Dallmayr

## Dallmayr to fly

It's always an indescribable feeling to be above the clouds. In a world between the sky and the earth. Between daily life and holidays. Between yearning and fulfilment. Wherever your mind wanders – whether it's to the sea, a meeting or a joyful reunion – you should savour the moment on board before it flies away. For example, with a sustainable Dallmayr coffee from Ethiopia or a tea speciality. Together with a Dallmayr praline that slowly melts in your mouth. Pleasure is about the moment – but it creates an impression that lasts. An inspiration from Dallmayr. Have a good flight!
