Benefits:

**Travel Cancellation Insurance**
We will reimburse the contractual cancellation costs or the additional costs of the outgoing journey in the event of a delay to the start of the journey, e.g. severe injury from accident and unexpected serious illness.

**Travel Curtailment Insurance**
If the trip is curtailed for an insured reason, we will reimburse the additional costs incurred by the return journey or the proportionate insured cost of the trip for travel services not used.

**Travel Baggage Insurance**
We will reimburse you with the fair value of your baggage in the event of theft or robbery, or damage or loss during transport. Insured amount: € 500 per person.

**Sunshine Guarantee**
Flat-rate reimbursement of € 25 per person for each day of rain, maximum reimbursement of € 200 per insured person. A rainy day is defined as one during which there is rainfall of at least 10 mm per square metre at the place of destination (indicated on the Lufthansa ticket) as measured and indicated on www.wetteronline.de.

Excess pursuant to the insurance terms and conditions. Decisive for the insurance cover are the insurance terms and conditions of Europäische Reiseversicherung AG (VB-ERV 2009).

Deadlines for taking out insurance:
Immediately on booking the trip, at the latest, however, 30 days prior to the start of the journey.
With bookings made within the 30-day period prior to the commencement of the journey, insurance can only be taken out when the trip is booked, or at the latest within the next three working days.

Medical Advice Service:
If you fall ill after booking your flight you can obtain medical advice from an experienced doctor as part of ERV’s Medical Advice Service. The doctor will advise you whether to travel under the circumstances or to cancel the journey.
