

# New regulations for hand luggage

There are restrictions on liquids which can be taken into the cabin on flights originating within the EU

- ▶ Volume max. 1 l
- ▶ Re-sealable
- ▶ Transparent

Medicines and special food required during the flight do not need to be carried in the plastic bag.

**DUTY  
FREE**

Duty free items, purchased at airports within the EU or on board an EU-airline may continue to be carried on board.
